

THE BWA 2011

WHAT'S HAPPENING THIS TERM?

OCTOBER 14

extreme games

This is going to be a wild and wacky night—with a lot of pizza! We'll be splitting into supervised groups tonight and each group will be given a pizza base. Then it's off to Highfields to go knocking on doors and asking for pizza toppings worth certain points (5pts for cheese, 50 for anchovies). Once the toppings have been found, it's back to the Church Hall to tally up the points and cook the pizzas! This will be one mouth-wateringly adventurous night!

OCTOBER 28

The Power Of Words

Think about this... both horses and ships are controlled by relatively small devices. Our tongues are pretty small but control a large portion of our lives. James states that humans have figured out how to tame all kinds of animals, but the tongue still remains untamed—and 2,000 years later this truth still remains. So come along as we dive into this vital topic of how you can use your tongue to change the world around you.

NOVEMBER 4

Who to Choose

Each day we are being pulled in two directions by two opposing forces. On one side, there is the pull of our faith, on the other, there is the pull of the world. What's at stake? Put simply, your affection. The more complex answer is your soul. Who will you love more, Christ or the world? Tonight we check out what it means to love and follow Christ above the world or anything in it.

NOVEMBER 11

Your future ahead

One of the great things about being a teenager is the idea of "possibility". There is so much before you... so many decisions to be made. And these decisions will dramatically shape the rest of your lives. That is why it is crucial that you understand the importance of approaching these decisions with God's character and will in mind. The goal for Christ-followers is not to treat God as a "magic 8-ball" looking to Him to provide exact answers for every one of life's questions. The goal is to consider God's desires for us, His children, and to seek to live our lives accordingly. Come along tonight for a look into how to make the big decisions ahead in life through Christ!
